

Did You Know?

Fun and Surprising Facts about Your Employee Benefits

**Rain or shine:
Apply sunscreen
in any weather.**

Sunscreen with SPF 15 and above can be covered by your Healthcare Flexible Spending Account.

**Commute to work?
Take the money
you save on taxes
to the bank.**

Save an average of 30% on your commute to work with a Commuter Benefits Program.

**More time is spent
holiday shopping
than reviewing
health benefits.**

The average person spends 1.4 hours reviewing their benefit selections versus 4.9 hours holiday shopping.

**Hopping jobs?
You can take your
Health Savings
Account with you.**

Great since the average American will have 11 jobs by the time they're 50!

**Gas prices?
Think about healthcare
prices instead.**

The average household spends about 7 times more per year on healthcare (\$20,728) than they do on gas (\$2,912).

**Afterschool programs
can be more affordable
with a Dependent Care
Flexible Spending
Account.**

Did you know that children who attend afterschool programs have improved test scores, grades and attendance?
