Dear Participant,

As you may be aware, WageWorks, Inc. acquired ADP, LLC.'s COBRA and Direct Bill lines of business last November. As a result, beginning September 1, 2017, premiums will be paid to WageWorks rather than ADP.

Our records indicate you were using ACH debit to pay your COBRA and/or Direct Bill premiums but did not reauthorize your bank details under WageWorks as requested by August 28. Your banking credentials have now been deactivated in our system, and we will not draft your account in September.

You must make payment from this point forward by check or one-time ACH to continue your coverage. You may also reactivate your ACH draft online by accessing your account on the BeneDirect website at www.benedirect.adp.com.

We appreciate your prompt attention to this matter and look forward to serving you.

Sincerely,

Your WageWorks team
