

FUNDING OPTIONS

DAILY ACH DEBIT FUNDING

How the Funding Method Works

- Claims are processed within 48 hours of receipt of a completed claim form or online claims submission.
- HealthEquity writes checks, issues direct deposits and card payments on HealthEquity bank account. This convenience eliminates the need for the employer to set up their own bank account in order to fund claims prior to payment.
- Each day the employer is notified via email of the funds that HealthEquity will pull via ACH Debit for the previous days spend.
- Each day employer reimburses HealthEquity by means of ACH debit on employer's bank account.
- Listing of benefits paid by employee is available at the HealthEquity website.

Key Advantages

- ✓ HealthEquity remits all benefit payments from a HealthEquity owned bank account, eliminating the need for the employer to set up their own bank account to support claims funding.
- ✓ Convenient daily email to employer with notification of the funds pulled to replenish HealthEquity.
- ✓ Single daily payment on employer's bank account leads to simplified bank reconciliation.
- ✓ No deposit is required with Daily ACH Debit funding
